
FLUID DYNAMICS

1. Pressure loss at fluid flow and its calculation
2024
 2. Aerodynamics of airfoils
2025
 3. Mach number and high velocity flow effects
2023
 4. Flow of gases and steam through nozzles
2023
 5. Flow of gases and steam through diffusers
2023
 7. Internal fluid friction and boundary layer development
2023
