

TURBOMACHINERY

- **article 1.** – Introduction to turbomachinery
2024
 - **article 2.** – Essential equations of turbomachines
2022
 - **article 3.** – Shapes of blades and flow parts of turbomachines
2025
 - **article 4.** – Aerodynamics of profile cascades
2022
 - **article 5.** – Internal losses of turbomachines and their influence on
turbomachine design
2024
 - **article 6.** – Using similarities of turbomachines in turbomachine design
2024
 - **article 9.** – Water turbines
2025
 - **article 10.** – Aerodynamics of wind turbines
2025
 - **article 13.** – Thermodynamics of heat turbines
2024
 - **article 14.** – Thermodynamics of turbocompressors
2024
-
